Hayling Island, Hampshire, England | luke.verney555@gmail.com | 07452965981 | linkedin.com/in/lukeverney

PROFILE

Accounting and Finance graduate (University of Surrey) with equities research, M&A, and cross-cultural experience from a semester abroad in the US. Strong commercial awareness and numerical analysis skills, seeking a graduate programme to build accounting, business and finance capability across functions.

PROFESSIONAL EXPERIENCE

Equities Analyst | AP Capital Research

May 2024 – November 2024

- Produced full-length investment research reports on listed companies, evaluated by accuracy and depth across financial statements, competitor positioning, and institutional ownership data, by independently conducting end-to-end fundamental analysis with close attention to detail across primary source filings.
- Delivered a clear buy/sell/hold recommendation on each company covered, measured by the report's internal consistency and evidence base, by synthesising quantitative financial data with qualitative market and technical analysis.

Mergers & Acquisitions Finance Accelerator | Amplify ME

February 2024

- Ranked in the top 10 of 90 participants in the asset management simulation, measured by risk-adjusted portfolio performance, by executing trades in response to live market news while balancing profit maximisation against risk management.
- Built and sustained simulated client relationships, measured by deal completion and mutual outcome quality, by communicating proposals clearly and negotiating terms under time pressure.

Virtual Work Experience – Market Analysis | J.P. Morgan (Forage)

March 2024

- Produced a market analysis report advising on investment portfolio strategy, measured against the programme's assessment criteria, by researching sector trends and translating findings into concrete, actionable recommendations.

OTHER EXPERIENCE

Bar Staff | Hayling Island Sailing Club

January 2025 – October 2025

- Balanced till reconciliation with client-facing service, achieving zero cash discrepancies across all shifts, by following strict end-of-shift procedural checks under time pressure.

Virtual Work Experience | St James's Place

March 2022

- Completed a wealth management virtual work experience programme, building early exposure to financial advisory client service.

EDUCATION

Bachelor of Accounting and Finance — 2:2 | University of Surrey, Guildford

2023 – 2026

Semester Abroad — Accounting and Finance | University of Central Florida

August 2024 – December 2024

- Completed a semester studying accounting and finance in the US, building cross-cultural communication and networking skills.

A-Levels: Mathematics, Economics, Psychology (B, B, B) | Oaklands Catholic School

2023

7 GCSEs grade 6+ including Mathematics and English, Oaklands Catholic School, 2023.

CERTIFICATIONS

Investment Banking Job Simulation — J.P. Morgan (Forage)

TEFL Certificate — TEFL, 2023 (6 hours live practice teaching and observation)

Certificate of Top Performance — Amplify ME, 2023 (top 10% of attendees)

SKILLS

Financial and commercial analysis, MS Excel (financial modelling), report writing, stakeholder communication, cross-cultural collaboration, problem-solving under deadline pressure.
